These procedures can be performed on either an inpatient or outpatient basis. Providing hypodermic injections, in itself, is not a Surgical Procedure.

- **Enhancement for doctors providing Hands-on Patient Care**

If Your Occupation is limited to a Medical Doctor (M.D.) or Doctor of Osteopathy (D.O.) and more than 50% of Income is earned from providing Hands-on Patient Care, We will consider You to be Totally Disabled even if You are Gainfully Employed in Your practice or another occupation so long as, solely due to Injury or Sickness, You are not able to provide Hands-on Patient Care.

If 50% or less of Income is earned from performing Hands-on Patient Care, We will consider You to be Totally Disabled if You satisfy the definition of Total Disability above.

**Hands-on Patient Care** means meeting with a patient in a clinical setting for the purposes of providing medical advice, evaluation, diagnosis, or treatment, that You regularly and personally provide during the 12 months prior to Your Disability.

### **We, Us, Our and Berkshire Life**

We, Us, Our, and Berkshire Life mean Berkshire Life Insurance Company of America.

### **You and Your**

You and Your mean the person named as the insured in the Schedule Page of the Policy.

### **Your Occupation**

Your Occupation means the occupation (or occupations, if more than one) in which You are Gainfully Employed during the 12 months prior to the time You become Disabled. Your Occupation does not mean a specific job title, designation, industry, or job with a certain employer.

If You have limited Your Occupation to the performance of the material and substantial duties of a single medical specialty, We will deem that specialty to be Your Occupation.

## PROVISIONS RELATING TO BENEFITS

### **Total Disability Benefit**

When You are Totally Disabled, the Monthly Benefit is paid as follows:

- You must become Totally Disabled while the Policy is in force.
- You must satisfy the Elimination Period.
- After You have satisfied the Elimination Period, the Monthly Benefit will be payable at the end of each month while You remain Totally Disabled.
- The Monthly Benefit will stop at the end of the Benefit Period or on the date You are no longer Totally Disabled, if earlier.

We will not increase the Monthly Benefit because You are Totally Disabled from more than one cause at the same time.

### **Medical Care Requirement**

We will neither pay benefits nor waive premium under the Policy for any period of Disability during which You are not under a Physician's regular care that is appropriate, according to prevailing medical standards, for the conditions causing Disability. Appropriate care includes a plan between You and Your Physician that addresses Your goals for treatment and recovery, coordinates care among all Physicians involved in the treatment of the conditions causing Disability, and addresses Your functional status. The medical care must be provided by Physicians whose specialties are appropriate for Your Injury or Sickness causing Disability. You have the responsibility to obtain, and reasonably participate in, Your appropriate medical plan of care.

We will waive the medical care requirement during any claim under the Policy upon reasonable written proof that Your Injury or Sickness no longer requires the regular medical care of a Physician under prevailing medical standards. Such waiver will not restrict any of Our rights under the Policy.

### **Presumptive Total Disability Benefit**

We will consider You to be Totally Disabled even if You are Gainfully Employed if, while the Policy is in force, Injury or Sickness results in Your total and complete loss of:

- sight in both eyes;
- hearing in both ears;
- speech; or
- the use, in their entirety, of both hands, both feet, or one hand and one foot.

We will then waive the unexpired portion of the Elimination Period and benefits will start to accrue from the date of Your Total Disability. The Monthly Benefit will be paid for as long as Your Total Disability continues, but not longer than the Benefit Period.

### **Fractional Month**

If You are Disabled for less than a full month, We will pay 1/30 of the monthly benefit payable under the Policy for each day You are Disabled.

### **Concurrent Disability**

A concurrent Disability is a Disability that is caused by more than one Injury and/or Sickness. Once a period of Disability begins, We will consider it to be one continuous period of Disability no matter what Injury or Sickness, or combination thereof, caused the Disability or caused it to continue. We will pay benefits for a concurrent Disability as if there were only one Injury or Sickness. In all cases, the amount and duration of benefits for a concurrent Disability will not be more than the maximum for any one Disability.

### **Recurrent Disability**

A recurrent Disability is a Disability that is determined to be a continuation of a previous Disability. If We determine Your Disability to be a recurrent Disability, Your prior claim for Disability will resume and no new Elimination Period will be required. All terms and conditions of the Policy must be satisfied. We will deem Your Disability to be a recurrent Disability, if:

- after the previous Disability ends, You have returned to Gainful Employment Full Time for less than 6 months; and

- the Disability results entirely or in part from the same cause or causes as the previous Disability; and
- benefits were received under the Policy for the previous Disability.

If a Disability is determined not to be a recurrent Disability, then it will be considered a new and separate Disability.

#### **New Benefit Period**

If the Benefit Period is 2 Years, 5 Years, or 10 Years, and You continue to be Disabled after the Benefit Period has ended, You will not be eligible for a new 2 Years, 5 Years, or 10 Years Benefit Period unless:

- Your Disability ends; and
- You return to Gainful Employment Full Time; and
- the Policy remains in force; and
- all terms and conditions of the Policy are satisfied.

#### **Waiver of Elimination Period**

We will waive the Elimination Period if:

- You become Disabled within five years after the end of a previous Disability; and
- the previous Disability lasted more than six months; and
- We paid benefits under the Policy for the previous Disability; and
- You remain continuously Disabled for at least for 30 days.

#### **Cosmetic Surgery**

We will deem You to be Totally Disabled as a result of Sickness if You become Totally Disabled due to complications from elective cosmetic surgery to improve Your appearance or correct a disfigurement, if the surgery occurs more than six months after the Effective Date. Cosmetic surgery will not include reconstructive surgery when the surgery is incidental to or follows surgery resulting from trauma, infection, other diseases of the involved part, or reconstructive surgery because of congenital disease or anomaly resulting in a functional defect.

We will not pay benefits for any Disability caused by, contributed to by, or which results from, complications due to elective cosmetic surgery that occurs during the first six months after the Effective Date.

#### **Waiver of Premium Benefit**

If You are Disabled for the length of the Elimination Period due to Injury or Sickness not excluded from Coverage:

- We will refund that portion of any premium paid that applies to the period of Disability beginning with the date that You were first Disabled in the same claim.
- We will then waive any later premium that is due while You are continuously Disabled in the same claim and receiving benefits for the Disability.

We will continue to waive premium if You remain continuously Disabled after the end of the Benefit Period and before the Expiration Date. You must notify Us within six months of the date Your Disability ends. The pro rata portion of the premium for the remainder of the current Premium Term must be paid, and all premiums due thereafter must be paid, in order to keep the Policy in force. The Policy will terminate if You fail to notify Us within six months of the date Your Disability ends.

We will continue to waive premium for the six-month period after Your Disability ends. At the end of the six-month period, the pro rata portion of the premium for the remainder of the current Premium Term must be paid, and all premium due thereafter must be paid, in order to keep the Policy in force.

The Waiver of Premium Benefit will also apply if benefits are payable because You have met the requirements of the Recurrent Disability provision.

Nothing in this provision will change the conditions for renewal after the Expiration Date that require You to be Gainfully Employed Full Time for at least ten months each year.

If the Expiration Date occurs while premiums are being waived, the Policy will terminate.

### **Hospice Care Benefit**

We will consider You to be Totally Disabled if, due to an Injury or Sickness, You are:

- under a Physician-ordered plan of care for hospice services; and
- receiving hospice services through a member of the National Hospice and Palliative Care Organization.

We will then waive the unexpired portion of the Elimination Period and benefits will start to accrue from the date a Physician-ordered plan of care is initiated for hospice services. The Monthly Benefit will be paid for as long as Your Total Disability continues, but not longer than the Benefit Period.

## **PROVISIONS RELATING TO SUSPENSION**

### **Suspension for Active Military Service**

A suspension of the Policy may be requested if You begin active duty in the military of any nation, or international authority including, but not limited to the United States Army, Navy, Air Force, Marine Corps, Coast Guard, or National Guard. Active duty does not include training that lasts 90 days or less, or any period of travel preceding a period of active duty. If You are eligible for a suspension, the suspension of the Policy starts on the date We, or any authorized agent, receive the Policyowner's written request or a later date if requested by the Policyowner.

The Policy must be in force and premium must be paid to the date it is suspended. Active duty begins at 12:01 a.m. on the date You are obligated to appear for active duty and for which You will be paid for such duty. Acceptance of premium by Us while You are on active duty will not waive the suspension of the Policy. Any premium paid that applies on or after the date it is suspended will be refunded.

While the Policy is suspended:

- We will neither require premium nor pay benefits under the Policy; and
- the Policy will not cover losses that result from Injury or Sickness that occurs or begins while the Policy is suspended; and
- no privileges or options under the Policy or any attached riders may be exercised.

The suspension of the Policy ends when You are no longer on active duty. On the date We receive a written request to place the Policy back in force and the required pro rata premium, the Policy will be placed back in force as of the date active duty ended. We will not require evidence of insurability. Any such request and premium payment must be received by Us within 90 days after the date Your active duty ends. The Grace Period does not apply. The Policy will terminate if the premium for the Policy remains unpaid for more than 90 days after the suspension ends.

If the Policy is placed back in force following a suspension:

- premium will be at the same rate that it would have been had the Policy not been suspended.
- the Policy will cover only losses that result from Injury that occurs, or Sickness that first manifests itself, on or after the date the Policy is placed back in force.

In all other respects, the Policyowner and We will have the same rights under the Policy as before it was suspended.

If the Expiration Date occurs while the Policy is suspended, the Policy will terminate.

### **Suspension During Unemployment**

A suspension of the Policy may be requested if:

- You become unemployed; and
- You have received at least eight weeks of governmental unemployment benefits; and
- the Policy has been in force for at least one year from the Effective Date; and
- the Unemployment Waiver of Premium rider is not attached to the Policy.

The suspension of the Policy starts on the date We receive:

- a written request to suspend the Policy; and
- proof that You are unemployed and have received eight weeks of governmental unemployment benefits.

The Policy must be in force and premium must be paid to the date it is suspended. Any premium paid that applies on or after the date it is suspended will be refunded.

While the Policy is suspended:

- We will neither require premium nor pay benefits under the Policy; and
- the Policy will not cover losses that result from Injury or Sickness that occurs or begins while the Policy is suspended; and
- no privileges or options under the Policy or any attached riders may be exercised.

The suspension will end at the earlier of:

- the date We receive a written request to end the suspension of the Policy, subject to proof that You are Gainfully Employed; or
- 12 months after the date on which the Policy is suspended.

When the suspension of the Policy ends, We will require pro rata premium to place the Policy back in force. The Grace Period does not apply. The Policy will terminate if the premium for the Policy remains unpaid for more than 90 days after the suspension ends.

If the Policy is placed back in force following a suspension:

- premium will be at the same rate that it would have been had the Policy not been suspended.
- the Policy will cover only losses that result from Injury that occurs, or Sickness that first manifests itself, on or after the date the Policy is placed back in force.

In all other respects, the Policyowner and We will have the same rights under the Policy as before it was suspended.

If the Policy has been suspended by reason of unemployment, the Policy may not be suspended by reason of unemployment again until 48 months have elapsed from the end of the last suspension by reason of unemployment.

If the Expiration Date occurs while the Policy is suspended, the Policy will terminate.

## **EXCLUSIONS AND LIMITATIONS**

### **Exclusions**

We will not pay benefits for any Disability:

- caused by, contributed to by, or which results from, declared or undeclared war or acts of war ; or
- caused by, contributed to by, or which results from, active duty in the armed forces of any nation or international governmental authority or while serving in units auxiliary thereto or the National Guard or similar government organizations; or
- for any period in which You are legally incarcerated or legally detained; however, this exclusion does not apply to any incarceration or detention of seven days or less; or
- caused by, contributed to by, or which results from, Your commission of, or attempt to commit, a felony as defined under local, state, or federal law; or
- caused by, contributed to by, or which results from, Your being engaged in an illegal occupation; or
- caused by, contributed to by, or which results from, any suspension, revocation, restriction, inactivation, surrender, or the like, of Your professional or occupational license or certification; or
- caused by, contributed to by, or which results from, an intentionally self-inflicted injury; or
- caused by, contributed to by, or which results from, a normal pregnancy or childbirth until 90 days have elapsed from the date of Disability or the Elimination Period has been satisfied, if later; or
- due to any loss We have excluded by name or description.

### **Pre-existing Condition Limitation**

We will not cover any loss that begins in the first two years after the Effective Date from a Pre-existing Condition.

### **Mental and/or Substance-Related Disorders Benefit Limitation**

If the Policy includes a Mental and/or Substance-Related Disorders Benefit Limitation, it is shown in the Schedule Page. Under this limitation, benefits We pay for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder are limited during Your lifetime to the number of months specified in the Schedule Page.

After We have paid benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder for the number of months specified in the Schedule Page, We will not pay benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder unless You are:

- continuously confined in a Hospital for treatment of a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder; and
- under the regular care of a Physician.

Under no circumstance will We pay benefits for a Disability caused by, contributed to by, or which results from, a Mental and/or Substance-Related Disorder that We have excluded by name or description.

This limitation will not apply to Severe Disability or Catastrophic Disability due to a Functional Impairment or Cognitive Impairment, as defined in the Severe Disability Benefit Rider or Enhanced Catastrophic Disability Benefit Rider, if attached to the Policy.

## **PROVISIONS RELATING TO CLAIMS**

### **Authorization**

We will require an authorization, without alterations, signed by You, or Your duly authorized legal representative, for Us to obtain information, as often as is reasonably necessary.

### **Notice of Claim**

You must give Us written notice of claim within 30 days after any loss covered by the Policy occurs or begins, or as soon after that as is reasonably possible. Written notice of claim, with complete information to identify You, will be sufficient if provided to Us, or any authorized agent, at Our home office, 700 South Street, Pittsfield, MA 01201.

### **Claim Forms**

When We receive written notice of claim, We will send claim forms for filing proof of loss. Claim forms must be completed, signed and returned to Us, and are a required part of proof of loss. If We do not send You such forms within 15 days after receiving written notice of claim, You may submit a written statement within the time provided in the Policy for filing proof of loss, which provides the nature and extent of the loss for which a claim is made.

### **Proof of Loss**

You must provide Us with written proof of loss at Our home office for any loss within 90 days after the end of each monthly period for which benefits are claimed. All losses must occur while the Policy is in force.

We can require any proof that We consider necessary to evaluate Your claim. Such proof may include, but is not limited to, medical records, employment records, business records, evidence of Your Prior Income and Current Income, financial records, and any other information necessary for Us to evaluate Your claim.

If You cannot give Us written proof of loss within the prescribed time, We will not deny or reduce Your claim if You give Us written proof of loss as soon as reasonably possible. Under no circumstance will We pay benefits if written proof of loss is delayed for more than one year, unless You have lacked legal capacity.

### **Payment of Claim**

All terms and conditions of the Policy must be satisfied in order for benefits to become payable. After all required proof of loss is provided and the claim is approved by Us, benefits due under the Policy will be paid to the Loss Payee.

If any benefit of the Policy becomes payable to a person not competent to give a release, We may pay such benefit, up to \$5,000, to a relative by blood or marriage of such person We deem appropriate. Any payment made in good faith under this provision will fully discharge Us to the extent of such payment.

The Policy, and all Coverage, terminates upon Your death. Any accrued benefits that are unpaid will be paid to Your estate.

If You would like to appeal Our claim determination, You may submit an appeal in writing to Us at Our Home office.

### **Overpayment of Benefits**

In the event that an overpayment of benefits occurs, We have the right to either recoup the overpayment from future claim benefits or require reimbursement within 60 days of notification of overpayment.

### **Time of Claim Payment**

Subject to satisfactory written proof of loss and upon Our determination that benefits are payable under the Policy, We will pay all accrued benefits that are due for Disability and other specified losses. Benefits will be immediately payable at the end of each month for which benefits are due while You are Disabled. Any amounts due that are unpaid when You are no longer Disabled will be paid promptly after We receive satisfactory written proof of loss. If We do not pay accrued benefits within 30 days after We receive satisfactory written proof of loss, We will pay simple interest at the rate of 10% per annum beginning with the 31<sup>st</sup> day after receipt of satisfactory written proof of loss and ending on the day the claim is paid.

### **Examinations**

We have the right to have You examined at Our expense and as often as We reasonably require to determine Your eligibility for benefits under the Policy as part of the Proof of Loss provision. We will select the examiner and the examination conditions. The examiner will be a specialist appropriate to the assessment of Your claim.

The examinations may include, but are not limited to, medical examinations, functional capacity examinations, psychiatric examinations, psychological examinations, neuropsychological examinations, vocational evaluations, rehabilitation evaluations, and occupational analyses. Such examinations may include any related tests that are reasonably necessary to the performance of the examination. We may deny or suspend benefits under the Policy if You fail to attend an examination, fail to cooperate with the examiner, or fail to comply with Our selected examination conditions.

You must meet with Our representative for a personal interview or review of records at such time and place, and as frequently, as We reasonably require. Upon Our request, You must provide appropriate documentation.

We have the right, at Our expense, to analyze or require an analysis of all relevant business, financial and operational records, including, but not limited to, Your personal, business and corporate federal and state tax returns, as often as We reasonably require by a financial examiner of Our choice. Such assessments may include analysis of business, financial and operational records for any business in which You have or may have an ownership interest. We can require that Your accounting practices be the same as those that were in effect immediately preceding the start of Your Disability.

### **Responsibility to Cooperate and Obtain Appropriate Medical Care**

You have the responsibility to cooperate with Us concerning all matters relating to the Policy including, but not limited to, any claims under the Policy. You have the responsibility to obtain, and reasonably participate in, all appropriate medical care for the condition for which benefits are claimed.

## **PROVISIONS RELATING TO PREMIUM AND RENEWAL**

### **Premium**

Premiums are due on the first day of each Premium Term. If You die, any premium paid that applies to the period after Your date of death will be refunded to the Policyowner or the Policyowner's estate.

### **Grace Period**

Except for the first premium, if the premium has not been paid by the premium due date, We allow a grace period of 31 days in which to pay each premium due. The Policy stays in force during the grace period. If the premium has not been paid by the end of the grace period, the Policy will lapse.

### **Premium Term Changes**

The Policyowner may submit a written request to Our home office to change the Premium Term. On request, and subject to Our approval, premiums may be paid annually or on a periodic basis. As shown in the Schedule Page, the

Premium Terms available are annual, semiannual, quarterly, or monthly. Any change to the Premium Term will begin with the next premium due date. We will not allow any change that would result in any premium not being due on a Policy Anniversary.

**Conditional Renewal After The Expiration Date**

After the Expiration Date, the Policy may be conditionally renewed on each Policy Anniversary, if:

- You are not Disabled; and
- You are Gainfully Employed Full Time for at least ten months each year; and
- the premium is paid on time; and
- the Policy is in force up to the Expiration Date.

If the Policyowner renews the Policy after the Expiration Date, We can require satisfactory written proof that You have continued to be Gainfully Employed Full Time for at least ten months each year. Upon Our approval, We will issue a new Schedule Page.

The only Coverage that will continue after the Expiration Date is for Total Disability, unless otherwise stated. The Benefit Period after the Expiration Date is shown in the Schedule Page.

The premium at each renewal will be based on Our premium rates in effect for Your Age, gender, Class of Risk, Occupation Class, any special class rating under the Policy, and other factors We are adding on a class basis at that time. We have the right to change such premiums on a class basis on any Policy Anniversary.

Any premium paid after the Expiration Date for a period not covered by the Policy will be refunded.

**Reinstatement**

If the Policy has lapsed at the end of the grace period, the Policyowner can apply to reinstate the Policy by completing an application for reinstatement and paying all overdue premium. We must receive the application within six months of the date the Policy lapsed.

We may require satisfactory evidence of insurability to reinstate the Policy. If We approve the application, the Policy will be placed back in force on the date of such approval. If We refuse to reinstate the Policy, We will refund the overdue premium. If We have neither approved nor refused the application in writing within 45 days after receipt of such application and overdue premium, the Policy will be reinstated on that 45th day.

If We, or an authorized agent, accept a premium without an application, the Policy will be placed back in force as though the Policy had not lapsed.

The reinstated Policy will cover only losses that result from Injury that occurs, or Sickness that first manifests itself, on or after the date of reinstatement. In all other respects, the Policyowner and We will have the same rights under the Policy as before it lapsed, subject to any provisions endorsed on or attached to the Policy in connection with reinstatement.

**GENERAL CONTRACT PROVISIONS**

**Consideration**

We have issued the Policy in consideration of the representations in the application and payment of the first premium. A copy of the application is attached and is a part of the Policy.

**When the Policy is Effective**

The Policy takes effect at 12:01 a.m. on the Effective Date and terminates at 11:59 p.m. on the date on which the Policy terminates.

**The Contract**

The Policy with any application(s), Schedule Pages, and any attached riders, amendments, and endorsements make up the entire contract. No change in the Policy will be valid unless it has been endorsed on, or attached to, the Policy in writing by the president, a vice president, or the secretary of Berkshire Life.

No agent or broker has authority to change the Policy or waive any of its provisions.

### **Time Limit on Certain Defenses**

After two years from the Effective Date of the Policy, no misstatements, except fraudulent misstatements, contained in the application for the Policy will be used to void the Policy or to deny a claim for loss incurred or Disability that starts after the end of such two-year period.

No claim for a loss incurred or Disability that starts after two years from the Effective Date of the Policy will be reduced or denied on the ground that a sickness or physical condition not excluded by name or specific description effective on the date of loss had existed before the Effective Date of the Policy.

In the event of a reinstatement, after two years from the date of reinstatement, no misstatements, except fraudulent misstatements, contained in the application for reinstatement will be used to void the Policy or to deny a claim for loss incurred or Disability, as defined in the Policy, commencing after the expiration of such two-year period.

In the event that any Coverage or rider is added to the Policy after the date the Policy takes effect, after two years from the date that such Coverage or rider was added to the Policy, no misstatements, except fraudulent misstatements, contained in the application for such Coverage or rider will be used to void such Coverage or rider or to deny a claim for loss incurred or Disability, as defined in the Policy, commencing after the expiration of such two year period. No claim for a loss incurred or Disability that starts after two years from the date such Coverage or rider takes effect will be reduced or denied on the ground that a sickness or physical condition, not excluded by name or specific description, effective on the date of loss had existed before the date such Coverage or rider took effect.

### **Termination of the Policy**

The Policy will terminate when the first of the following occurs:

- the premium for the Policy remains unpaid at the end of the grace period; or
- the premium for the Policy remains unpaid for more than 90 days after the end of a suspension for active military service or a suspension for unemployment; or
- Our receipt of the Policyowner's written request to terminate the Policy; or
- the Expiration Date, unless the Policy is conditionally renewed; or
- Your death.

### **Legal Actions**

No one can bring an action at law or in equity under the Policy until 60 days after written proof of loss, as required by the Proof of Loss provision under the Policy, has been furnished. In no case can an action be brought against Us more than three years after written proof of loss must be furnished.

### **Misstatements of Age or Gender**

If Your age or gender is misstated on the application, Coverage will be what the premium paid would have purchased based on the correct age or gender.

If We would not have issued the Policy at Your correct age, there will be no insurance and We will refund all premiums paid for the period not covered by the Policy.

### **Assignment**

An assignment will take effect on the date the assignment is signed unless otherwise specified by the Policyowner. We will be bound by an assignment of the Policy for any claim only if We receive a written assignment from the Policyowner on a form provided by Us before We pay the benefits claimed. We will not be responsible for the validity or tax consequences of any assignment.

### **Waiver of Policy Provisions**

Our failure to invoke or enforce any right under the terms of the Policy will not be deemed a waiver of that right.

### **Conformity with Interstate Insurance Product Regulation Commission Standards**

The Policy was approved under the authority of the Interstate Insurance Product Regulation Commission ("Commission") and issued under the Commission standards. Any provision of the Policy that, on the Effective Date, is in conflict with the Commission standards for the Policy is hereby amended to conform to the Commission standards for the Policy as of the Effective Date. We will notify the Policyowner of any such change no less than 30 days before the change becomes effective.

## **ENHANCED PARTIAL DISABILITY BENEFIT RIDER**

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

### **DEFINITIONS**

#### **CPI-U**

CPI-U means the Consumer Price Index for All Urban Consumers, or any later replacement for it, as published by the Bureau of Labor Statistics of the United States Department of Labor. Any replacement of the CPI-U must be approved by the Interstate Insurance Product Regulation Commission. We will notify the Policyowner before using any such replacement.

#### **Current Index Month**

Current Index Month means the yearly anniversary of the Original Index Month immediately preceding each Review Date.

#### **Disability or Disabled**

Disability or Disabled is amended to also include Partial Disability or Partially Disabled.

#### **Enhanced Initial Monthly Benefit**

The Enhanced Initial Monthly Benefit is the amount We will pay each month for the first 12 months that You are eligible for a Partial Disability benefit in the same claim.

#### **Monthly Partial Benefit**

Monthly Partial Benefit means the amount We will pay each month if You continue to be Partially Disabled in the same claim after the Enhanced Initial Monthly Benefit has been paid for 12 months. It is a percentage of the Monthly Benefit.

#### **Original Index Month**

Original Index Month means the calendar month 90 days before the date on which You were first Disabled in the same claim.

#### **Partial Disability or Partially Disabled**

During the Elimination Period, Partial Disability or Partially Disabled means You are Gainfully Employed and You are not Totally Disabled but, solely due to Injury or Sickness:

- Your Loss of Income is at least 15% of Your Prior Income; or
- You can perform one or more, but not all, of the material and substantial duties of Your Occupation; or
- You can perform all of the material and substantial duties of Your Occupation, but not for the length of time You normally require.

Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

Once the Elimination Period has been satisfied, Partial Disability or Partially Disabled means You are Gainfully Employed and You are not Totally Disabled but, solely due to Injury or Sickness, Your Loss of Income is at least 15% of Your Prior Income.

#### **Review Date**

Review Date means the yearly anniversary of the date on which You were first Disabled in the same claim.

## PROVISIONS RELATING TO PARTIAL DISABILITY

### Partial Disability Benefit

When You are Partially Disabled, We will pay a Partial Disability benefit as follows:

- You must become Disabled while the rider is in force.
- You must satisfy the Elimination Period.
- After You have satisfied the Elimination Period, a Partial Disability benefit will be payable at the end of each month while You are Partially Disabled.

For each month of the first 12 months that You are eligible for a Partial Disability benefit in the same claim, We will pay an Enhanced Initial Monthly Benefit. The Enhanced Initial Monthly Benefit is equal to Your Loss of Income. The Enhanced Initial Monthly Benefit will not be less than 50% of the Monthly Benefit. In no event will the Enhanced Initial Monthly Benefit exceed the Monthly Benefit.

If You continue to be Partially Disabled in the same claim after the Enhanced Initial Monthly Benefit has been paid for 12 months, We will pay a Monthly Partial Benefit.

The Monthly Partial Benefit will be determined by the formula (a) divided by (b) multiplied by (c), where:

- (a) is Your Loss of Income for the month in which You are Partially Disabled; and
- (b) is Your Prior Income; and
- (c) is the Monthly Benefit.

If Your Loss of Income is more than 75% of Prior Income in any month of Partial Disability while an Enhanced Initial Monthly Benefit or a Monthly Partial Benefit is payable, We will deem such loss to be 100%.

We will not increase the Partial Disability benefit because You are Disabled from more than one cause at the same time.

### Recovery

We will continue to consider You Partially Disabled, even if You have recovered from the Injury or Sickness that caused Partial Disability, so long as Your Loss of Income is still at least 15% of Your Prior Income and such Loss of Income is solely due to the Injury or Sickness that caused Your Partial Disability.

### Adjustment of Prior Income and Prior Business Expenses

On the Review Date while benefits are payable, We will adjust Your Prior Income and Prior Business Expenses for the next 12 months based on changes in cost of living, as reflected in the CPI-U, since the start of claim. We will adjust the Prior Income and Prior Business Expenses by multiplying each by the actual percentage change in the CPI-U between the Current Index Month and the Original Index Month. The adjusted Prior Income and adjusted Prior Business Expenses will apply to the 12-month period that follows the Review Date and will be used to determine Your Loss of Income.

The adjustment to Prior Income and Prior Business Expenses may vary from year to year as the CPI-U rises or falls in relation to the Original Index Month. We will make no change that would reduce Prior Income or Prior Business Expenses below what they were at the start of claim.

We will adjust the Prior Income and Prior Business Expenses on each Review Date, while a Partial Disability benefit is payable, until the first of the following occurs:

- The Benefit Period ends; or
- This rider terminates.

### Proof of Loss

In addition to any proof of loss required by the Policy, You must provide Us with written proof of loss necessary to establish that Your Loss of Income is solely the result of Your Injury or Sickness.

### Premium and Renewal

The premium for this rider is shown in the Schedule Page. This rider may not be renewed after the Expiration Date of the Policy.

## TERMINATION

### Termination of the Partial Disability Benefit

Benefits for Partial Disability will no longer be payable when the first of the following occurs:

- You are no longer Partially Disabled; or
- Your Loss of Income is no longer solely the result of Injury or Sickness; or
- the first month in which Your Loss of Income is less than 15% of Your Prior Income; or
- You become Totally Disabled; or
- the Benefit Period ends; or
- this rider terminates.

### Termination of Enhanced Partial Disability Benefit Rider

This rider terminates when the first of the following occurs:

## BASIC PARTIAL DISABILITY BENEFIT RIDER

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

### DEFINITIONS

#### **CPI-U**

CPI-U means the Consumer Price Index for All Urban Consumers, or any later replacement for it, as published by the Bureau of Labor Statistics of the United States Department of Labor. Any replacement of the CPI-U must be approved by the Interstate Insurance Product Regulation Commission. We will notify the Policyowner before using any such replacement.

#### **Current Index Month**

Current Index Month means the yearly anniversary of the Original Index Month immediately preceding each Review Date.

#### **Disability or Disabled**

Disability or Disabled is amended to also include Partial Disability or Partially Disabled.

#### **Monthly Partial Benefit**

Monthly Partial Benefit means the amount We will pay for each month of Partial Disability. It is a percentage of the Monthly Benefit.

#### **Original Index Month**

Original Index Month means the calendar month 90 days before the date on which You were first Disabled in the same claim.

#### **Partial Disability or Partially Disabled**

Partial Disability or Partially Disabled means You are Gainfully Employed and You are not Totally Disabled under the terms of the Policy, but solely due to Injury or Sickness:

- Your Loss of Income is at least 20% of Your Prior Income; and either
- You are unable to perform one or more of the material and substantial duties of Your Occupation; or
- You are able to perform all of the material and substantial duties of Your Occupation but not for the length of time they normally require.

Working an average of more than 40 hours in a week, in itself, is not a material and substantial duty.

#### **Review Date**

Review Date means the yearly anniversary of the date on which You were first Disabled in the same claim.

### PROVISIONS RELATING TO PARTIAL DISABILITY

#### **Partial Disability Benefit**

When You are Partially Disabled, We will pay the Monthly Partial Benefit as follows:

- You must become Disabled while the rider is in force.
- You must satisfy the Elimination Period.

- After You have satisfied the Elimination Period, the Monthly Partial Benefit will be payable at the end of each month while You are Partially Disabled.

For each month benefits are payable under this rider, the Monthly Partial Benefit may never exceed Loss of Income, except as stated in the Enhancements to the Monthly Partial Benefit provision.

We will not increase the Monthly Partial Benefit because You are Disabled from more than one cause at the same time.

#### **Payment of Monthly Partial Benefit**

The Monthly Partial Benefit will be determined by the formula (a) divided by (b) multiplied by (c), where:

- (a) is Your Loss of Income for the month in which You are Partially Disabled; and
- (b) is Your Prior Income; and
- (c) is the Monthly Benefit.

#### **Enhancements to Monthly Partial Benefit**

During the first six months in which the Monthly Partial Benefit is payable, We will deem Your Loss of Income to be 50% of Your Prior Income or the actual percentage of loss, if greater.

If Your Loss of Income is more than 75% of Prior Income in any month of Partial Disability while the Monthly Partial Benefit is payable, We will deem such loss to be 100%.

#### **Adjustment of Prior Income and Prior Business Expenses**

On the Review Date while the Monthly Partial Benefit is payable, We will adjust Your Prior Income and Prior Business Expenses for the next 12 months based on changes in cost of living, as reflected in the CPI-U, since the start of claim. We will adjust the Prior Income and Prior Business Expenses by multiplying each by the actual percentage change in the CPI-U between the Current Index Month and the Original Index Month. The adjusted Prior Income and adjusted Prior Business Expenses will apply to the 12-month period that follows the Review Date and will be used to determine Your Loss of Income.

The adjustment to Prior Income and Prior Business Expenses may vary from year to year as the CPI-U rises or falls in relation to the Original Index Month. Your Prior Income or Prior Business Expenses will not be reduced below what they were at the start of claim.

We will adjust the Prior Income and Prior Business Expenses on each Review Date, while the Monthly Partial Benefit is payable, until the first of the following occurs:

- a recovery benefit is payable; or
- the Benefit Period ends; or
- this rider terminates.

#### **Recovery Benefit**

Following a period of Disability, We will pay a recovery benefit for up to twelve consecutive months for any one claim if:

- You are no longer Disabled; and
- You return to Full Time Gainful Employment immediately following a period of Disability; and
- We paid benefits under the Policy; and
- Your Loss of Income is at least 20% of Your Prior Income; and
- Your Loss of Income is solely due to the Injury or Sickness that caused Your Disability.

The recovery benefit will be determined by the formula (a) divided by (b) multiplied by (c), where:

- (a) is Your Loss of Income for the month in which a recovery benefit is payable; and
- (b) is Your Prior Income; and
- (c) is the Monthly Benefit.

If Your Loss of Income is more than 75% of Prior Income in any month in which a recovery benefit is payable, We will deem such loss to be 100%.

We will continue to waive premiums while You are receiving a recovery benefit even if it exceeds the six-month period after You recover as stated in the Waiver of Premium provision of the Policy. We will continue to waive premiums until the later of:

- the end of the six-month period after You recover; or
- the date the recovery benefit is no longer payable.

**Proof of Loss**

In addition to any proof of loss required by the Policy, You must provide Us with written proof of loss necessary to establish that Your Loss of Income is solely the result of Your Injury or Sickness.

**Premium and Renewal**

## **FUTURE INCREASE OPTION RIDER**

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

### **DEFINITIONS**

#### **Increase Option**

Increase Option means an option to apply for an Increase Policy.

#### **Increase Policy**

Increase Policy means any policy that is issued as a result of an exercise of an Increase Option.

#### **Option Date**

Option Date means the date of every Policy Anniversary while this rider is in effect.

#### **Option Period**

Option Period means:

- the 63-day period beginning 31 days immediately before the Option Date and ending 31 days immediately following the Option Date; or
- the 90-day period beginning on a Special Option Date.

#### **Special Option Date**

Special Option Date means:

- the first date You are no longer covered by, nor eligible to participate in, a group long-term disability (LTD) plan; or
- a date that We declare.

#### **Total Increase Option Amount**

Total Increase Option means the maximum amount of Monthly Benefit that may be issued for an Increase Policy. The Total Increase Option Amount is shown in the Schedule Page.

### **PROVISIONS RELATING TO INCREASE OPTIONS**

#### **Exercising an Increase Option During an Option Period**

An Increase Option may be exercised during an Option Period if You are Gainfully Employed Full Time. We must receive the application for an Increase Policy during an Option Period. Each time We issue an Increase Policy, the remaining Total Increase Option Amount available under this rider will be reduced by the amount of the Increase Policy.

All or part of the remaining Total Increase Option Amount may be applied for until You attain Age 45.

On or after Age 45, only the following may be applied for:

- up to one-third of the original Total Increase Option Amount, not to exceed the remaining Total Increase Option Amount; or
- the remaining Total Increase Option Amount if it is less than \$1,000; or
- the remaining Total Increase Option Amount if an Increase Policy is being applied for as a result of a Special Option Date that occurs because You are no longer covered by, nor eligible to participate in, a group LTD plan.

Each Increase Policy applied for during an Option Period will be underwritten to determine the maximum amount of Monthly Benefit available, if any, not to exceed the Total Increase Option Amount. This amount will be determined by Our underwriting rules in effect on either the Effective Date of the Policy or when an Increase Policy is applied for, whichever are more favorable to You.

We will issue only one Increase Policy as a result of a Special Option Date while the Policy and this rider are in effect. If We issue an Increase Policy as a result of a Special Option Date, no Increase Option will be available during the next Option Period.

#### **Exercising an Increase Option When Disabled or Receiving Disability Benefits**

An Increase Option may be exercised during an Option Period when You are Disabled or receiving disability benefits from any source. However, an Increase Option may not be exercised as a result of a Special Option Date if You are Disabled or receiving disability benefits from any source.

If an Increase Option is exercised when You are Disabled or receiving disability benefits from any source, any Increase Policy will only apply to a new and separate Disability and will not provide a benefit for the current Disability, or recurrent Disability, or current claim for benefits.

Your Income for the purpose of exercising an Increase Option when You are Disabled or receiving disability benefits from any source will be based upon Your Income in the 12-month period immediately prior to the onset of Your Disability.

#### **Proof of Insurability**

When an Increase Option is exercised, You must provide evidence of Your Income, employment, and all other disability insurance with any insurer that is in force, that has been applied for, or for which You are eligible. We may require additional evidence of financial insurability. You do not have to provide evidence of Your occupation or medical insurability.

If an Increase Option is exercised as a result of a Special Option Date because You are no longer covered by, nor eligible to participate in, a group LTD plan, You must also provide evidence of Your eligibility status in a group LTD plan.

#### **Increase Policy**

The Increase Policy will be issued on a separate policy form then being used by Us for new applicants on a regular basis in the place where You live. For purposes of this rider, new applicants are individuals who do not have any coverage in force with Us at the time of application.

The Increase Policy will include those provisions, benefits, and riders that are part of the Policy if We are then offering them to new applicants in the place where the Increase Policy is issued. The provisions, benefits, and riders of the Increase Policy may be different from the Policy.

The Increase Policy will not have a shorter Elimination Period or a longer Maximum Benefit Period than the Policy.

We will not issue an Increase Policy with less than \$200 of Monthly Benefit.

The premium for each Increase Policy will be based on Our premium rates in effect on the date of issue of the Increase Policy, which may vary by state. The premium may also be based on, but not limited to, the following:

- the Increase Policy amount and any rider that is attached to the Increase Policy; and
- Your age on the date of issue of the Increase Policy; and
- Your gender; and
- the state and policy form of the Increase Policy; and
- the Class of Risk, Occupation Class, and any special class rating under the Policy.

Your Class of Risk and Occupation Class under the Increase Policy will not be less favorable than under the Policy. If, at the time the Increase Policy is applied for, You submit evidence satisfactory to Us that You qualify for a more favorable Class of Risk and/or Occupation Class than under the Policy, We will apply the more favorable classification to the Increase Policy.

Conditions that are excluded by name or description under the terms of the Policy will be excluded under the Increase Policy.

In order for an Increase Policy to become effective, We must receive the first premium unless premiums are then being waived because You are Disabled or benefits are being paid under the Policy. The premium for any Increase Policy will be waived if premiums are then being waived under the Policy.

**Rider Premium**

The premium for this rider is shown in the Schedule Page. Each time We issue an Increase Policy, the remaining Total Increase Option Amount available and the premium for this rider will be reduced accordingly. A new Schedule Page will be issued.

## **UNEMPLOYMENT WAIVER OF PREMIUM RIDER**

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

### **DEFINITIONS**

#### **Unemployment Period**

Unemployment Period means the 12-month period starting on Your first date of unemployment.

### **BENEFIT PROVISIONS**

#### **Unemployment Waiver of Premium Benefit**

To receive the Unemployment Waiver of Premium Benefit, You must satisfy all of the following conditions:

- You must notify Us in writing within 90 days of the date on which You become unemployed.
- You must provide Us with a determination letter from the state or federal agency responsible for administering unemployment benefits. This letter must indicate that You qualify for state or federal unemployment compensation.
- You must provide proof that You have been receiving such unemployment compensation for at least 60 consecutive days.

If You are eligible for the Unemployment Waiver of Premium Benefit, We will:

- refund that portion of any premium paid that applies to the Unemployment Period; and
- then waive any later premium that is due during the Unemployment Period, even if You return to Gainful Employment.

If You become Disabled while premiums are being waived under this rider, You will remain eligible for benefits under the terms and conditions of the Policy.

When the Unemployment Period ends, We will require the pro rata portion of the premium for the remainder of the current Premium Term to be paid, and all premiums that become due thereafter.

Premiums may not be waived for a subsequent Unemployment Period until 48 months have elapsed from the end of the previous Unemployment Period.

#### **Suspension During Unemployment**

The Policy may not be suspended for unemployment while this rider is in force.

#### **Premium**

The premium for this rider is shown in the Schedule Page.

## **SOCIAL INSURANCE SUBSTITUTE RIDER**

This rider is a part of the Policy to which it is attached. All provisions of the Policy apply to this rider and remain the same except where We change them by this rider.

The Policy is amended by adding or changing the following provisions:

### **DEFINITIONS**

#### **Legislated Benefits**

Legislated Benefits means the benefits provided for disability or retirement under:

- the U.S. Social Security Act or a similar law of any other country (including any Primary Insurance Amount or Family Benefit); or
- any workers' compensation or occupational disease law, or any similar law; or
- retirement and disability fund programs for employees of any federal, state, county, municipal or other governmental subdivision; or
- any other federal, state, county, or municipal disability or temporary disability law.

#### **Monthly Benefit**

Monthly Benefit is the Monthly Benefit shown in the Schedule Page plus the Social Insurance Substitute Benefit, if any.

#### **Social Insurance Substitute Benefit**

The Social Insurance Substitute Benefit is the additional benefit provided by this rider.

#### **Social Insurance Substitute Maximum Monthly Benefit**

The Social Insurance Substitute Maximum Monthly Benefit is shown in the Schedule Page.

### **PROVISIONS RELATING TO THE SOCIAL INSURANCE SUBSTITUTE BENEFIT**

The Social Insurance Substitute Benefit is determined as follows:

- If You receive no Legislated Benefits, the Social Insurance Substitute Benefit is the Social Insurance Substitute Maximum Monthly Benefit.
- If You receive Legislated Benefits, the Social Insurance Substitute Benefit is the Social Insurance Substitute Maximum Monthly Benefit minus the Legislated Benefits You receive.
- If You receive Legislated Benefits that are equal to or greater than the Social Insurance Substitute Maximum Monthly Benefit, the Social Insurance Substitute Benefit is zero.

Any automatic increases in Your Legislated Benefits during a Disability will not be included in the calculation of the Social Insurance Substitute Benefit.

If the first payment of any Legislated Benefits includes a retroactive benefit, We will not require a refund for any amounts We may have paid under this rider for the same period of Disability that such retroactive benefit covers.

If any payment of Legislated Benefits includes a lump sum payment, We must immediately be notified of such payment. The lump sum payment will be prorated on a monthly basis over the time period for which the payment was intended. If the time period to which the lump sum payment applies is not specified, We will make a reasonable determination as to the time period for which the payment may have been intended.

We will not increase the Social Insurance Substitute Benefit because You are Disabled from more than one cause at the same time.

### **Eligibility for the Social Insurance Substitute Benefit**

To be eligible for the Social Insurance Substitute Benefit, You must be Disabled and You must give Us written proof that:

- You have applied in a proper and timely manner for any Legislated Benefits for which You may be eligible; and
- Your claim for Legislated Benefits has been approved, denied, or is still pending; and
- if denied, You are pursuing every appeals process available to You.

Such proof must be provided to Us as often as We may reasonably require. It must include all correspondence between You and the appropriate office for the Legislated Benefits for which You are making claim, as well as any correspondence You have with Your employer.

If You have not provided such written proof, We will deem the Social Insurance Substitute Benefit to be zero.

If, after completing the appeals process, You are still denied Legislated Benefits, We can require You to reapply for Legislated Benefits as often as We may reasonably require.

### **Attorney Fee Benefit**

If You incur attorney fees during a Legislated Benefits appeals process, We will pay a one-time additional benefit equal to the Social Insurance Substitute Maximum Monthly Benefit, provided that You had:

- a hearing before an Administrative Law Judge; or
- a review of the hearing by the Appeals Council (or similar body); or
- brought a civil action in the United States District Court.

We will not pay the attorney fee benefit for services provided before Your initial filing for Legislated Benefits is denied and You have requested and received a reconsideration of the denial.

### **Premium and Renewal**

The premium for this rider is shown in the Schedule Page. This rider may not be renewed after the Expiration Date of the Policy.

The Policy is hereby amended by adding the following:

### **Serious Illness Supplemental Benefit**

We will pay a Serious Illness Supplemental Benefit in addition to the Monthly Benefit when You are Totally Disabled solely due to Cancer, Stroke and/or Heart Attack. The Serious Illness Supplemental Benefit is equal to 50% of the Monthly Benefit. It is paid for a maximum of 12 months during the life of the Policy and is only payable while the Monthly Benefit is payable.

The Serious Illness Supplemental Benefit is in addition to any other benefit provided by the Policy or any attached riders. In no event will We pay more than 50% of the Monthly Benefit for the Serious Illness Supplemental Benefit, even if You are Totally Disabled from more than one cause at the same time.

**Cancer** means a disease that is identified by the presence of malignant cells, or a malignant tumor, characterized by uncontrolled and abnormal growth and spread of invasive malignant cells.

**Stroke** means any cerebrovascular incident due to rupture or acute occlusion of blood flow to the cerebral artery. The Stroke must cause a neurological deficit resulting in complete or partial loss of function involving the motion or sensation of a part of the body and must last more than 24 hours. Traumatic Brain Injury caused by external forces will not be considered a Stroke.

## **OCCUPATIONAL REHABILITATION, MODIFICATION AND ACCESS BENEFITS ENDORSEMENT**

This endorsement is a part of the Policy to which it is attached. All provisions of the Policy apply to this endorsement and remain the same except where modified by this endorsement.

The Policy is hereby amended by adding the following:

### **Occupational Rehabilitation Benefit**

If You are Disabled, You may be eligible for an Occupational Rehabilitation Benefit. We will pay for a program of occupational rehabilitation if:

- You and We agree in advance of beginning the occupational rehabilitation program; and
- the program is a formal plan that will help You return to Gainful Employment in Your Occupation; and
- the program is directed by an organization or individual licensed or accredited to provide occupational rehabilitation or education to persons who are disabled; and
- the program is documented in a signed written agreement.

The extent of Our role in this program will be determined by the written agreement. We will pay only those costs, as agreed to, that are not otherwise covered by insurance, workers' compensation, or any public fund or program.

We will periodically review the program and Your progress in it. We will continue to pay for the program as long as We determine that it is helping You return to Gainful Employment in Your Occupation.

Participating in a program of occupational rehabilitation will not in itself be considered a recovery from the Injury or Sickness that resulted in Your Disability, and benefits will continue as provided in the Policy.

### **Modification and Access Benefit**

If You are Disabled, You may be eligible for a Modification and Access Benefit. If a modification is determined by Us to be appropriate and reasonable to enable You to perform Your material and substantial duties, We will reimburse You for the cost that You incur for such modification upon written proof acceptable to Us as set forth in a signed written agreement. The purpose of any such modification must be to help You return to Gainful Employment in Your Occupation.

## **SUSPENSION FOR FAMILY MEDICAL LEAVE ENDORSEMENT**

This endorsement is a part of the Policy to which it is attached. All provisions of the Policy apply to this endorsement and remain the same except where modified by this endorsement.

The Policy is hereby amended by adding the following:

### **Suspension for Family Medical Leave**

A suspension of the Policy for family medical leave may be requested if:

- You take leave from Gainful Employment to care for a Family Member; and
- the leave is taken under the Family Medical Leave Act or a state family leave law or act; and
- the Policy has been in force for at least one year from the Effective Date.

### **Family Member**

Family Member means a qualifying family member as defined by the Family Medical Leave Act or as defined by a state family leave law or act.

The suspension of the Policy starts on the date We receive:

- a written request to suspend the Policy; and
- proof that You have taken leave from Gainful Employment to care for a Family Member.

The Policy must be in force and premium must be paid to the date it is suspended. Any premium paid that applies on or after the date it is suspended will be refunded.

While the Policy is suspended:

- We will neither require premium nor pay benefits under the Policy; and
- the Policy will not cover losses that result from Injury or Sickness that occurs or begins while the Policy is suspended; and
- no privileges or options under the Policy or any attached riders may be exercised.

The suspension will end at the earlier of:

- the date We receive a written request to end the suspension of the Policy, subject to proof that You have returned to Gainful Employment; or
- the date Your leave under the Family Medical Leave Act or a state family leave law or act ends; or
- the date You die.

When the suspension of the Policy ends, We will require pro rata premium to place the Policy back in force. The Grace Period does not apply. The Policy will terminate if the premium for the Policy remains unpaid for more than 90 days after the suspension ends.

If the Policy is placed back in force following a suspension:

- premium will be at the same rate that it would have been had the Policy not been suspended.
- the Policy will cover only losses that result from Injury that occurs, or Sickness that first manifests itself, on or after the date the Policy is placed back in force.

In all other respects, the Policyowner and We will have the same rights under the Policy as before it was suspended.

If the Policy has been suspended by reason of family medical leave, the Policy may not be suspended by reason of family medical leave again until 48 months have elapsed from the end of the last suspension by reason of family medical leave.

If the Expiration Date occurs while the Policy is suspended, the Policy will terminate.
